TEACHING

Bettendorf High School

EXPERIENCES

Bettendorf, Iowa

August, 2012- Now

- Taught World History, Current Issues, American Minorities, Criminal Justice, Sociology, and Economics grades 10-12.
- Developed curricula that promotes diversity, empowerment, and technological literacy for all students.
- Helped to turn current curriculum to the 21st century, by using student IPADS on a daily basis.
- Sponsored SOUP club (Students Organized to Unite People)
- Guitar Club co-founder and did after school guitar lessons for any students interested, free of charge.

Central City High School

Central City, IA

August, 2010-August 2012

- Taught Early American History, World History, Economics, Government, Global Issues, 9-12th Grades.
- Developed curricula that promotes diversity, empowerment, and technological literacy for all students.
- Created a student tech team elective, and also represented the school in the district's technology committee, working towards promotion of 21st century educational opportunities.
- Freshman class sponsor, and led a student team that set up the Veteran's Day assembly, and created the first Central City Renaissance Fair .
- Created the school guitar club, which continues to this day at the school long after I moved on

Safford Middle School

Safford, AZ

August, 2009-May 2010

- Taught US History/Geography and computer sciences, 7th and 8th grades.
- Worked to align high quality curriculum with state standards, earning merit pay for student achievement
- Assisted with guitar club and helped create a guitar elective

Huron High School- Student Teaching
Ann Arbor, MI

January, 2009-April 2009

- Taught World History/Geography and US History/Geography 9th through 11th grade for 16 weeks
- Volunteered for the school's Business Professionals of America student extracurricular club.
- Co-authored syllabi which included coarse content, high expectations, and standards learning.

GEAR UP College Prep Assistant
Teacher Assistant/Aide

March, 2008-December 2008

Gear Up is a not-for-profit project based out of Eastern Michigan University and funded by the U.S Department of Education for the purpose of helping low SES students in the surrounding geographic regions of Ypsilanti and Willow Run.

- Assisted 5 hours weekly in Willow Run Middle/High School, specifically in grades 8-9 in the fields of social studies, language arts, and science.
- Supported the teacher in tutoring students in groups and one-on-one in the classroom, as well as helping students and mentoring during lunch hour study sessions.

VISION- Eastern Michigan University
Facilitator / Youth Mentor

August, 2008-December 2008

The mission of Eastern Michigan mentors there is to enrich the after school lives of typically low socio-economic students with the arts, activities, and exposure to college age students while incorporating diversity and community involvement.

- Helped facilitate activities, games, and events with young people ages 12-17.
- Tutored young students one-on-one in a variety of different areas pertaining to reading using traditional and nontraditional means.
- Showed students from a low socioeconomic background the benefits of college and the options that make college an accessible choice.

SOS Community Services
Volunteer

September, 2007-June 2008

SOS Community Services is a not-for-profit organization founded in 1970 in order to offer social services to homeless and needy families, children, and single adults in Washtenaw County.

- Assisted the program 2-3 hours weekly in their struggle against poverty.
- Activities include receiving and categorizing donated food items as well as preparing foodstuff assistance bundles for those in need.
